Hendersonville – The Henderson County Sheriff's Office, in conjunction with the North Carolina State Highway Patrol, conducted a Click It or Ticket Checkpoint on Friday, March 2, 2007. The checkpoint was held on Brookside Camp Road and was conducted from 5:00pm until 6:45pm. The North Carolina State Highway Patrol had four officers on the scene and the Henderson County Sheriff's Office had nine officers on the scene.

Throughout the course of the event there were 25 citations written, which included driving while license revoked, no operators license, equipment violations and seatbelt infractions. One warrant was served and two arrests were made as a result of this checkpoint.

Sheriff Davis, who attended the checkpoint, said "this was a tremendous success and shows that we can work together across agency lines to be proactive and keep the roads in Henderson County safe."

This is the beginning of a concerted effort by the Henderson County Sheriff's Office to be more proactive and positive on the issue of traffic enforcement. "Any fatality on the roads of Henderson County is one too many" according to Jason Cordell the newly appointed Traffic Officer with the Henderson County Sheriff's Office. This position was created through a grant from the North Carolina Governor's Highway Safety Program.
